

Explore Solvaire: Babst Calland's Affiliated Alternative Legal Service Provider

January 27, 2021

Pittsburgh, PA

EmTech Law Blog

(by **Chris Farmakis**)

We understand the unprecedented challenges facing our organizations. Now, more than ever, we realize how critical it is for our clients to seek cost efficiencies while making legal, operational, financial and 'game changing' business decisions.

Solvaire, Babst Calland's affiliated Alternative Legal Service Provider – *with its enhanced AI-enabled processes and machine learning capabilities* – can help to increase efficiency, while lowering project costs. For more than 21 years, Solvaire has effectively designed, performed, and implemented complex buy-side **diligence** projects, **discovery** projects and tailored **document management** solutions. Solvaire's **track record** and **satisfied clients** speak for themselves.

Check out **Solvaire's new website** and request a **free consultation** to learn how Solvaire can work with your team to provide superior **diligence, discovery** and **document management services** – on time, with accuracy and consistency and within a budget that provides price certainty.

To stay informed about Solvaire news, latest case studies and content, as well as innovative business and technology enhancements, **sign up for updates here**.

Explore Solvaire, and unlock the value it provides.

On behalf of Babst Calland and Solvaire, we look forward to serving you on your next project.
